- put off falsehood and speak truthfully to my neighbor, for we are all members of one body

The Ten Commandments

The Ten Commandments: Laws of the Heart by Joan Chittister will be the text for a sermon series beginning on September 9 which will include the two great commandments and take us up to Advent. Are the Ten Commandments a set of rules, or a way of life? How does each call us to reflect and act? What does it mean to love God and neighbor in a world of violence and fear that threatens our lives and our souls? Joan Chittister answers these questions and more in this honest inquiry into what it means to be born in the image and likeness of God.

Joan Chittister, OSB (1936-) is a Benedictine Sister of Erie, PA. She is the author of over 50 books--and has won fourteen Catholic Press Association Awards for them.

The paperback book is available for \$13.00 and the Kindle edition is \$10.49. If you would like to purchase the paperback check the back of the connection card.
