UMC Creation Care Alliance **October 20 @ 12:00 pm - 2:00 pm**

The UMC Creation Care Alliance meets **Saturday, October 20, Noon-2 PM** at College Avenue United Methodist Church in Muncie. It will be hosted by Jim Pyle. This will be an important gathering where folk from Taylor Chapel UMC will present information from their major solar panel project.

We remain clear about our faith stance as articulated by our bishops in their pastoral letter: *God's Renewed Creation: Call to Hope and Action* that "God's creation is in crisis...This beautiful natural world is a loving gift from God...[who] has entrusted its care to all of us." And so we follow the call from our bishops and our UM Social Principles regarding issues of sustainability, climate justice, clean air, and water, etc. as we work toward forwarding these goals in Indiana UM congregations. Thanks to everyone who joins this journey of care and commitment. We also follow the Social Principles of the UMC. All interested in Creation Care are invited to attend.

Coffee, Tea or Whatever is Coming

Beginning today, we will have a variety of hot beverages available in the Narthex. A Keurig will be in use with multiple beverage options for attendees to enjoy. Ex. coffee, tea, plus others will be available for your enjoyment. Or, you may bring your own favorite K-Cup from home. To cover expenses, users (excluding visitors) please consider a \$.50 donation upon use. This will be on a trial basis. *The Worship Committee*
