CHRISTMAS WITH HEIFER

During the Advent Season, the Mission Team will be ready to help you with your Christmas shopping. What do you buy the person who doesn't need anything or the child who has too many toys? How about a goat, llama, a sheep, chickens, bees, or a heifer? By purchasing an animal or a share of an animal you can help others in need and help them learn to become self-sufficient. It is also a great way to teach children and grandchildren about sharing and helping others. RUMC members, Barry and Judy Turner visited the Heifer International Center in Little Rock, AK and were very impressed with their programs around the world – they are changing lives and helping to break the cycle of poverty.

Animals to purchase include:

(You will see more items on order form)

- Chickens- \$20 per flock – each hen can lay 200 protein – packed eggs per year
- Goat - \$120 or \$10 per share – can give a gallon of milk each day
- Bees - \$30 – pollinates crops and can be sold to buy food
- Llama - \$150 or \$20 per share – warm wool and opportunities for income
- Sheep - \$120 or \$10 per share – wool and income
- Heifer - \$500 or \$50 per share – provides healthy milk and manure for fertilizer

Visit the Heifer table in December and make your Christmas shopping easy and change a life forever!
