### ***Riverside Survey***

February 23-26, 2019, United Methodist delegates from around the world will gather in St. Louis for a special session of General Conference to determine our church’s relationship with people who are LGBTQIA+ (lesbian, gay, bisexual, transgender, queer, intersex, and asexual).

Our leadership is making plans for our own future, so we are surveying the congregation about your own beliefs and responses to our denomination. We ask you to respond only once and to be honest in your answers. You will not be asked to identify yourself unless you choose.

The survey will be passed out following the overview in worship. For more information on the special session of General Conference go to <http://www.umc.org/topics/general-conference-2019-special-session>.
