The Mission and Justice Summit is an exciting opportunity for United Methodists from across Indiana to gather, learn, and share about mission and service opportunities. During the Summit, participants will discover new ways to become more missional and to share what their churches are doing to impact their communities. Presentation:

"Create a Passion for Community Ministry in Your Church"

The keynote speaker will be Joy Skjegstad, a national speaker and consultant on nonprofit management and ministry development. She has more than 30 years of experience starting and growing nonprofit organizations, including serving as the Executive Director of the Park Avenue Foundation at Park Avenue United Methodist Church and as the founder of the Institute for Ministry Leaders, a university-based training program that builds the management capacity of churches and other ministry organizations.
